REPORT OF FIRE DEPARTMENT

During the past year the Fire Department responded to 12 calls for assistance. Six were for chimney fires, three brush fires and one building fire which was a total loss. We also were called upon twice to assist neighboring towns through the Suncook Valley Mutual Aid System and also called on them to assist us at our building fire.

During the recent months two fires in neighboring towns have claimed six lives. By these unfortunate circumstances many citizens have been aroused to the danger of fire and the need for fire prevention and fire protection.

During this current year the Fire Department will make a campaign to sell fire extinguishers to anyone interested. Your local firemen will be glad to help you in selecting a fire extinguisher for your home, shop, or business and instruct you in their use.

As fire chief I would also like to point out the need for a new fire truck in the very near future. Due to the high taxes the Fire Department feels reluctant to ask the town for the money. However both trucks are twenty years old and although the pumper is in good condition much of the equipment on the tank truck dates back to 26 years when the department was first organized. It is in bad need of a new pump, and the truck is unsafe for the load that it carries. I sincerely hope everyone gives this matter due consideration in appropriating money for the Fire Department needs.

WALTER SANBORN,
Fire Chief

AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook — yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness — our carelessness. This, we — you — and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations — hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you —

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Chichester:

In this my final report to you I want to express my thanks to all who have been directly concerned with the education of the children of Chichester. This includes teachers, school board members, parents and friends of the community. It has been a real pleasure working and planning with you. Over the years, the experience has been for me a very pleasant one. You have always been receptive to whatever suggestions I have made tending toward change for improvement of the schools.

School board members have worked with me in a spirit of cooperation that has enriched my professional thinking, and guided my actions in my administration of your schools.

For all these things I am most grateful. As I leave the scene of active duty, I shall recall with satisfaction and genuine pleasure the years I have worked with you and your teachers to help promote better educational opportunities for your children.

Respectfully submitted,

WILLIAM B. HOUNSELL,
Superintendent of Schools
